

Provider accounts  
and credentialing are  
moving to ProviderOne.  
This change affects you.

**Get a head start and stay up-to-date.**

### **Who's affected?**

Most L&I providers who deliver services to injured workers, including:

- Healthcare providers.
- Pharmacies.
- Suppliers of goods and equipment, such as taxis, shuttles, schools and stores.

### **When will this happen?**

We plan to have all providers using ProviderOne in 2022.

### **What should I do today?**

Go to [Lni.wa.gov/ProviderOne](https://lni.wa.gov/ProviderOne) to get the latest information, and sign up to receive monthly email updates about our move to ProviderOne.
